Is the typical urban city lifestyle wearing you down? Let the untamed romance of a vast wilderness lake become part of your life.... Plato Island Resort, named after the small Island in Quesnel Lake, which rests protectively not far from the Resort. Should you be looking for an opportunity to change your life. Kyle and Marita have been enjoying their six-months work and six-months travel schedule for over ten years now and are thinking to give the leadership of Plato Island Resort into younger hands. For the price of a modest home in Vancouver, you can own a peaceful, relaxing place to live & earn an income that provides a breathtaking way of life. The package includes seasonal and daily RV Site Rentals, Cabins, Cafe and Marina with continuous improvements being made. The resort guests call it "our little paradise."
